Dues are based upon membership fee and whether a member wishes to race. Members wishing to race will pay for a "racing privilege." A racing privilege can be held by an "individual," which allows for scoring and a trophy if earned. A racing privilege may also be "shared" between two ALCA members; this would allow both to be scored but only one trophy will be awarded. If two members choose to share a racing privilege, only one of them may skipper on any given night. If more than one member from a given household intends to skipper on the same night, each would be required to pay for an "individual" racing privilege. Children (under 21 years of age) of ALCA members will be able to race and to be scored, free of charge with their parent's signed consent on file.
